Material of the stitching: Polyester HT

Sizes: One only adjustable: M-2XL

Weight (g): A000-1000: 750 grams; A000-1001: 818 grams

Manufacturer's name: COFRA S.r.l.

Manufacturer's address: Via dell'Euro 53-57-59 - 76121 BARLETTA (BT) - Italy

Authorised Representative's name: /

Authorised Representative's address: /

Certificate's holder: COFRA S.r.l.

Holder's address: Via dell'Euro 53-57-59 - 76121 BARLETTA (BT) - Italy

**A000-1000 - BLACK KITE****A000-1001 - CERBERO**

## 2. Levels of protection offered by the personal protective equipment

Applicable Standards:

EN 361:2002 - "Personal protective equipment against falls from a height - Full body harnesses"

/

/

The protection equipment A000

is compliant with the basic requirements provided by the standard(s) of reference for the particular fields of utilization the device is addressed to.

EN 361:2002 and /

Moreover, the protection equipment is in compliance with the specific requirements provided by the connected norm for the particular fields of use the device is addressed to:

/

Characteristics of the protection equipment are:

Both variants compliant to be used up to a maximum rated load of 150 kg

/

/

Notes:

Harnesses of the family "A000" are assemblies of webbing(s), adjusting device(s) or other elements which fit around the body, the shoulder and the thighs to support it in a hanging position after a fall; they are full body harnesses to be used on fall arrest systems, according to the standard EN 361:2002, designed to protect the final user against the risk of falls from a height. Two variants provided, differing for the number of attachment points available: "A000-1000", equipped with one only dorsal attachment point and "A000-1001", equipped with two, dorsal and sternal, attachment points. Both variants produced into one only adjustable size: M-2XL.

## 3. Test results and test examinations are covered by the following test reports:

Dolomitcert S.c.a.r.l.	211017	29/07/2021
Dolomitcert S.c.a.r.l.	211016	27/08/2021
Dolomitcert S.c.a.r.l.	150181	14/04/2015

#### 5. Declaration for category III personal protective equipment

For category III PPE, this EU Type-Examination Certificate shall be used only in combination with one of the evaluation procedures in accordance with Article 19, letter c), of the Regulation (EU) 2016/425

Applicability for the product covered by this EU Type-Examination Certificate:

YES

#### Terms and conditions under which the Certificate is issued

- Marking and instructions were examined in Italian. Language versions other than the one specified above are under the complete responsibility of the Manufacturer or of his Authorised Representative.
- Any variation to the product, to the technical file or, in the provided cases, to the manual or to the quality control procedures, shall be notified in time to DOLOMITICERT.
- The Manufacturer or his Authorised Representative shall respect the procedures and the regulations provided by DOLOMITICERT for the EU Certification.
- Copies of this Certificate, supplied to third parties, shall be reproduced in their entirety.
- The present Certificate shall be carefully kept by the Manufacturer to be shown, on request, to the Organism of control or to the Vigilance Administration.
- The present Certificate remains property of DOLOMITICERT, which can ask for it back if some of the above mentioned conditions are not respected.
- Any subsequent revision of the present document automatically deletes and replaces it.
- The present document can include only a limited description of the product under certification; for a more detailed description, please refer to the correspondent Technical Documentation.
